FUNDS AVAILABILITY POLICY

Your Ability to Withdraw Funds

On the reverse side of this letter, please find an updated Funds Availability Policy that includes changes to the amount of funds available when you deposit a check. These changes are effective July 1, 2025. Any other terms of your deposit account not described in this policy will continue to apply. For all other account related services, fees and benefits, please refer to the "Services and Fees" document on our website at FMB.com/fees.

Determining When Your Deposit is Received

For determining the availability of your deposit, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit on a business day we are open and before our cutoff time, we will consider that to be the day of your deposit. If you make a deposit on a day that we are not open, or after our cutoff time, we will consider your deposit to have been made the next business day we are open.

Our deposit cutoff times are as follows:

- F&M ATM deposits: 4:30 PM (PST)
- Branch deposits (in person with one of our employees): when the branch closes for business; varies by location
- Night depository: 12:00 PM (PST)
- Mail deposits: when the deposit is received
- Incoming Wire Transfers: 3:00 PM (PST)
- *Internal Electronic Transfers: 9:30 PM (PST) (Online and Telephone Banking)
- *Mobile Banking deposits: 6:00 PM (PST)

*Refer to the separate Online Banking Access Agreement for more details

Longer Delays May Apply

In some cases we may not make all of the funds deposited by check available on the first (1st) business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second (2nd) business day after the day of your deposit. If we take this action, we will make the first \$275 available to you no later than the first (1st) business day after the day of your deposit. In addition, funds that you deposit by check may be delayed, generally up to the seventh (7th) business day after the day of your deposit for the following reasons:

- We believe a check you deposited will not be paid;
- You deposited checks totaling more than \$6,725 on any one day;
- You redeposited a check that was previously returned unpaid;
- You have overdrawn your account repeatedly in the last six (6) months; or
- There is an emergency, such as failure of computer or communications equipment.

If we are going to delay the availability of the funds from your deposit, we will notify you at the time you make your deposit and we will tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left, we will send you the notice no later than the first (1st) business day after the day of your deposit.

If you need the funds from a deposit right away, ask us when the funds will be available.

Special Rules for New Accounts

If you are a new customer, the following special rules may apply during the first thirty (30) days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725 of a day's total deposits of cashier's, certified, teller's, travelers, and federal, state, and local government checks will be available on the first (1st) business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$6,725 will be available no later than the ninth (9th) business day after the day of your deposit. If your deposit of these checks (other than U.S. Treasury checks) is not made in person to one of our employees, the first \$6,725 will be available to you no later than the second (2nd) business day after the day of your deposit. Funds from all other check deposits will be available no later than the seventh (7th) business day after the day of your deposit.

Holds On Other Funds (Other Account)

If we accept a check for deposit that is drawn on another bank, we may make funds from that deposit available for immediate withdrawal but may delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Holds On Other Funds (Check Cashing)

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.
